Question related to Financial Interest and Industry-Academia Collaboration Activity

※ "company, etc." refers to commercial companies, general incorporated associations, and NPOs, etc., excluding executive branches of government, universities, educational corporations, and independent administrative corporations including national research and development agencies.

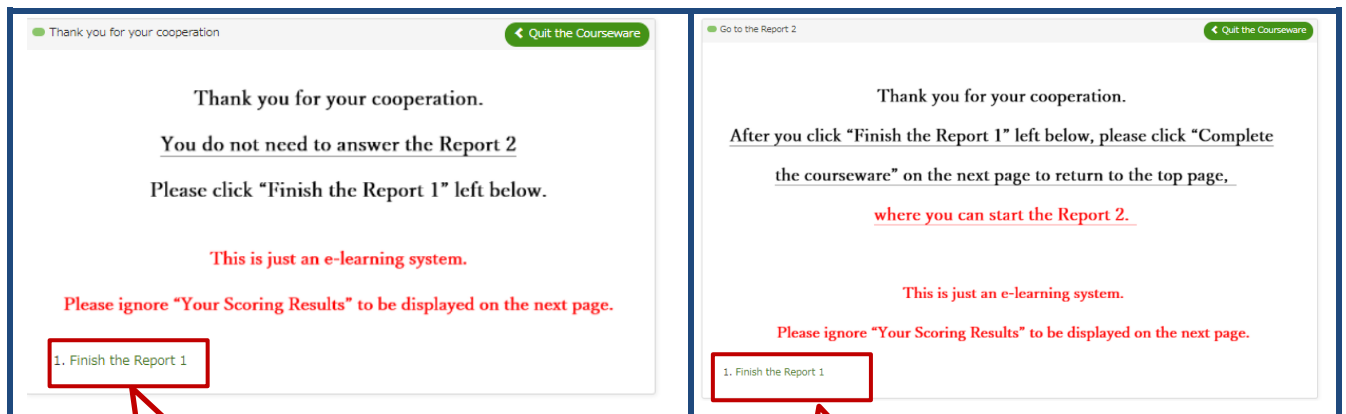

I) Financial Interest	II) Industry-Academia Collaboration Activity
① I possess(ed) unlisted shares.	⑧ I engage(d) in collaborative research, commissioned research, or academic consultation. Note: - Answer "Yes" only if you receive(d) research funds, etc., amounting to two million yen or more (including indirect expenses) from a company, etc., during the survey period. Judge by the amount you receive(d) during the survey period even in case of multi-year research, etc. - If you are an employee of a company, etc. and are employed by Tokyo Tech as a specially appointed faculty member for the Collaborative Research Chair with the company, etc., the collaborative research with the company, etc. at the Chair does not need to be considered here.
② I have provided (or used to provide) funds to a company, etc., (excluding stock corporations) such as a private limited company.	⑨ I receive(d) donations and/or research grants. Note: Answer "yes" only if you receive(d) donations and/or research grants amounting to two million yen or more from a company, etc., during the survey period. Remaining amount of donations/grants received before the survey period does not need to be considered.
③ I possess(ed) listed shares. Note: Answer "yes" only if you possess(ed) 5% or more of the outstanding shares of a company, etc.	⑩ I receive(d) goods and/or services free of charge; I borrow(ed) goods free of charge. Note: Answer "Yes" only if you receive(d) and/or borrow(ed) goods and/or services equivalent to two million yen or more from a company, etc., during the survey period, excluding those in accordance with collaborative research contracts, etc., signed by Tokyo Tech.
④ I possess(ed) subscription rights to shares.	⑪ Students in my laboratory are (or were) involved in business activities in a company, etc. Note: Answer "Yes" if students in your laboratory engage(ed) in a part-time job or internship at a company, etc., excluding cases where the students are (or were) cooperating researchers from Tokyo Tech participating in collaborative research or a commissioned research project run by a company, etc., and Tokyo Tech.
⑤ I engage(d) in outside employment (including through "cross-appointment" system) with or without compensation. Note: "Outside employment" in this context excludes one-off outside employment (Article 6 of the National University Corporation Tokyo Institute of Technology Concurrent Employment Regulations for Executives and Staff), even if such one-off employment is engaged in more than once.	⑫ I accept(ed) researchers from a company, etc., excluding adult students in my laboratory. Note: Researchers from partner corporations of the Collaborative Research Programs are excluded.
⑥ I obtain(ed) a loan and/or guarantees from a company, etc., excluding those provided by banks or other financial institutions.	⑬ I purchase(d) goods, services, equipment, or systems, etc., from a company, etc., amounting to three million yen or more during the survey period. Note: The amount is the total sum of your purchase which have been made during the survey period. Purchase of goods and services include cases where faculty or staff engage in the specification or selection of models as a part of their job responsibility. Repair services for instruments, etc., provided by a company, etc., are also included in this category.
⑦ I receive(d) income amounting to one million yen or more from a company, etc., during the survey period. Note: Income refers to the total amount of payments from a company, etc., including rewards for engaging in outside employment (including one-off employment), lecture fees, transfer of intellectual property rights, or permission to use intellectual property, etc.
